**Re: United States v. Thomas Ullman
Case No. 23-CR-412 (AMN)**

Dear Judge Nardacci:

After discussions with Mr. Ullman this morning and on closer examination of the PSR against my sentencing memorandum, I have identified a matter that needs correction in the sentencing memorandum.

In my sentencing memorandum on Mr. Ullman's behalf, I asserted that the timeframe of his broader conduct of pursuing sexual images of teenage females was 2020 to 2021, which is inaccurate. The conduct specifically affecting V-1 and V-2 took place over approximately 2020 to 2021, as set forth in the information and plea agreement; however, Mr. Ullman's broader conduct of pursuing sexual images of teenage females occurred over a longer duration. At the time of his arrest, Mr. Ullman was candid in his discussions with police about developing an addiction to sexual images of teenagers about 15 years prior, before his divorce. PSR at ¶18. He was candid with police about engaging in conduct of the type at issue in the case for a duration longer than the 2020 to 2021 timeframe.

I apologize for that error.

Very truly yours,

/s/Timothy E. Austin
